

EMPOWERING OVERCOMERS

HEAL FROM TRAUMA & ABUSE

Quick start

- I will press “play” for a healing visualization exercise
- I will spend 2 minutes doing something that helps me feel good and/or increase self love
- Accountability partner - I will text a friend and say “I did it”

I will press “play” for a healing visualization
I will do it right before (or right after) I _____

Tips for success:

- Habit stacking: do the new habit right before or after something you already do
- New habit takes less than 2 minutes
- Accountability partner - text a friend and say “I did it”
